Fire signage

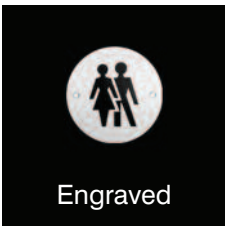

We can supply a full range of mandatory fire signage and our fully trained staff will always schedule the appropriate signage. As standard, our signs are 52mm dia to complement our round roses. However, upon request we can supply 75mm, 90mm, square, oval or rectangular.

Toilet signage

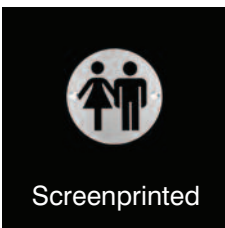

Cut-out

We can supply screenprinted, engraved, cut-out, tactile, braille signage in any shape or size to suit your requirements.

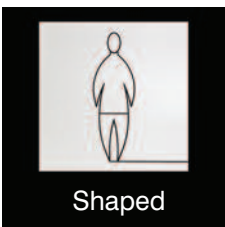

Engraved

We can also offer room name signage, external signage, you name it and we can do it. Please contact us for further details.
